[Urban Myths about Learning and Education](#) Pedro De Bruyckere 2015-03-06 Many things people commonly believe to be true about education are not supported by scientific evidence. Urban Myths about Learning and Education examines commonly held incorrect beliefs and then provides the truth of what research has shown. Each chapter examines a different myth, with sections on learning, the brain, technology and educational policy. A final section discusses why these myths are so persistent. Written in an engaging style, the book separates fact from fiction regarding learning and education. Recognize any of these myths? People have different styles of learning Boys are naturally better at mathematics than girls We only use 10% of our brains The left half of the brain is analytical, the right half is creative Men have a different kind of brain from women We can learn while we are asleep Babies become smarter if they listen to classical music These myths and more are systematically debunked, with useful correct information about the topic in question. Debunks common myths about learning and education Provides empirical research on the facts relating to the myths Utilizes light-hearted, approachable language for easy reading

De plakfactor Chip Heath 2015-03-10 Waarom zijn broodjeapverhalen zo hardnekkig en vergeten we alledaagse waarheden zo gemakkelijk? Hoe maakt een krant een kop die ervoor zorgt dat we door willen lezen? En waarom onthouden we complexe verhalen wel, maar complexe feiten niet? Waarom floreren sommige ideeën van meet af aan, terwijl andere razendsnel ter ziele gaan? En hoe verbeter je de kansen van waardevolle ideeën? In De plakfactor leggen Chip en Dan Heath uit hoe je de kleefkracht van ideeën kunt versterken. Deze onmisbare gids laat zien dat 'sticky' ideeën hun kracht ontleven aan zes belangrijke eigenschappen, die ook jij kunt leren beheersen. Dit boek gaat over een van de belangrijkste aspecten van menselijk gedrag en zal de manier waarop je ideeën overbrengt ingrijpend veranderen. De plakfactor is provocerend, onthullend en vaak verrassend grappig. Het onthult de cruciale principes van succesvolle ideeën en de strategieën om je eigen boodschap meer kleefkracht te geven.

[Lend Me Your Ears](#) Max Atkinson 2005-11-10 The room darkens and grows hushed, all eyes to the front as the screen comes to life. Eagerly the audience starts to thumb the pages of their handouts, following along breathlessly as the slides go by one after the other... We're not sure what the expected outcome was when PowerPoint first emerged as the industry standard model of presentation, but reality has shown few positive results. Research reveals that there is much about this format that audiences positively dislike, and that the old school rules of

classical rhetoric are still as effective as they ever were for maximizing impact. Renowned communications researcher, consultant, and speech coach Max Atkinson presents these findings and more in a groundbreaking and refreshing approach that highlights the secrets of successful communication, and shows how anyone can put these into practice and become an effective speaker or presenter. Topics Include: DT How to win and hold the attention of audiences; DT Using visual aids and PowerPoint more effectively; DT Getting your message across and winning applause; DT Inspiring audiences; DT How to prepare quickly; DT Fact and fiction about body language and non-verbal communication

Gevallen god Kate Atkinson 2015-05-04 'Inmiddels was de oorlog voor hem een wirwar van willekeurige beelden die hem in zijn slaap

achtervolgden: de Alpen in het licht van de maan, een propellerblad dat door de lucht vloog, een bleek gezicht in het water. Nou, succes dan maar. Nu eens de penetrante stank van seringen, dan weer een lieflijk zuiver danswijsje. En altijd kwam aan het eind van de nachtmerrie het onvermijdelijke einde zelf...' Teddy, de geliefde jongere broer van Ursula Todd uit *Leven na leven*, dichter in spe, RAF-piloot, echtgenoot en vader, heeft in de Tweede Wereldoorlog veel doorstaan, maar niets viel hem zo zwaar als verder te moeten leven in een toekomst die hij nooit had verwacht. Gevallen god bewijst eens te meer dat Kate Atkinson een van onze grootste schrijvers is.

Lend Me Your Ears Max Atkinson 2011-01-18 The past twenty years has seen the emergence of an industry standard model of presentation, the slide show. Yet research has shown that audiences are deeply dissatisfied with this mode of public speaking. In *Lend Me Your Ears*, Max Atkinson - a highly experienced speaker and trainer, having been involved in speech writing for business, politics and the arts for 30 years - uses the findings of recent scientific research combined with the rules of classical rhetoric to highlight the secrets of successful persuasion.

Using extensive research based on empirical evidence, Max has developed a new and provocative way of looking at speech making, providing the reader with practical and simple guidelines, exercises and tips to improve performance, including:--advice on the use of classical

rhetoric--how to write a speech when in a rush--the myths surrounding visual aids --the use of body language. And much more! With expert

advice that will appeal to everyone from experienced CEOs to those writing that all-important wedding speech, this is destined to be the definitive text in this area.

Split-Second Persuasion Kevin Dutton 2011-02-03 An "entertaining" look at the psychology and neuroscience behind the act of influencing others (Kirkus Reviews). People try to persuade us every day. From the news to the Internet to coworkers and family, everyone and everyone wants to influence our thoughts in some way. And in turn, we hope to persuade others. Understanding the dynamics of persuasion can help us to achieve our own goals—and resist being manipulated by those who don't necessarily have our best interests at heart. Psychologist Kevin

Dutton has identified a powerful strain of immediate, instinctual persuasion, a method of influence that allows people to disarm skepticism, arguments, and close deals. With a combination of astute methods and in-depth research in the fields of psychology and neuroscience,

Dutton's fascinating and provocative book: Introduces the natural super-persuaders in our midst: Buddhist monks, magicians, advertisers, con men, hostage negotiators, and even psychopaths. Reveals which hidden pathways in the brain lead us to believe something even when we know it's not true. Explains how group dynamics can make us more tolerant or deepen our extremism. Illuminates the five elements of SPICE

(simplicity, perceived self-interest, incongruity, confidence, and empathy) for instantly effective persuasion. "[Split-Second Persuasion] offers some powerful insights into the art and science of getting people to do what you want." —New Scientist

How to Manage Meetings Alan Barker 2011-07-03 Meetings are important business and social activities. However, research suggests that meetings engulf as much as 60 per cent of the time we spend at work. Despite their necessity and the costs involved, many meetings are organized by individuals who have other full-time responsibilities and lack the formal training and experience to ensure their successful

planning and execution. How to Manage Meetings provides much-needed guidance on how to get meetings right. Readers should be able to reap the rewards from appropriate preparation, maximizing participation, understanding group dynamics, effective chairing, and how to follow up effectively after a meeting has taken place. This fully revised second edition includes new content on electronic and virtual meetings, a new chapter on improving a group's thinking and additional guidance on how best to prepare for a meeting from the perspective of three key roles: Chair, Administrator and Participant.

Stand and Deliver[Ian Nichol 2018-06-12](#) Expert speaking coach Ian Nichol writes a thorough and authoritative guide to public speaking. Written in an engaging and informative style, with a great undercurrent of humour, Stand and Deliver! makes for a relaxing and highly enjoyable read, which reinforces Ian's no-nonsense message on how readers can dramatically improve their speaking performances. Ian's unfailing honesty when setting out his personal experiences of triumph and disaster will inspire readers, teaching them that what works for one person may not work for another. Stand and Deliver! provides countless practical tips and suggestions in a highly pragmatic text that will build readers' confidence. By demolishing destructive myths about public speaking, Ian shows readers how to think positively about nerves and uses them to help, not hinder. Offering straightforward advice this book demonstrates that everyone can speak confidently in public by challenging preconceptions and providing a wide range of tools to success.

Preaching without Borders[Ryan Roach 2022-09-08](#) Though the United States has been a relatively diverse nation, Americans have historically lived close to those who are ethnically and culturally like them. The unfortunate effects of slavery, Jim Crow, segregation, housing discrimination, prejudice, and bigotry have been key reasons for demographic divisions. While divisions remain, communities that were once monoethnic are experiencing changes that are enriching. The challenge for these communities is to work to break down barriers that prevent lasting authentic relationships resulting in spiritual growth. Churches in these communities are at a crossroads and face a choice: do they keep doing what is comfortable despite the changes in their neighborhoods, or do they work to resemble their neighbors? Preaching Without Borders addresses the challenges preachers face when they attempt to be faithful to the text while contextualizing it so that people of every nation, tribe, and tongue can be transformed Jesus.

Discourse Analysis[Hansun Zhang Waring 2017-07-06](#) Discourse Analysis: The Questions Discourse Analysts Ask and How They Answer Them is the first introductory text organized around the kinds of questions discourse analysts ask and how they are systematically addressed by analysts of different empirical persuasions, thereby cultivating a principled understanding of the interdisciplinary field of discourse analysis. The text promotes synthesis, integration, and a multidimensional understanding of the core issues that preoccupy discourse analysts. (1) How is discourse structured? (2) How are social actions accomplished in discourse? (3) How are identities negotiated in discourse? (4) How are ideologies constructed in discourse? The answer to each question is illustrated with transcripts and analyses of actual discourse as exemplified in key studies in the field. With a range of other features such as boxed definitions, study questions, and analytical tasks, this guide to the complex world of discourse is an ideal resource for courses on discourse analysis.

A Modest Book About How to Make an Adequate Speech[John-Paul Flintoff 2021-02-18](#) "Where I come from, where modesty is a sin, Flintoff's book would be called 'The Indispensable Guide to Giving an Unforgettable Speech.' Jay Heinrichs, New York Times bestselling author Most of us dread public speaking. But at some point we find ourselves forced to make a speech. And we worry: Will my jokes fall flat? What if I freeze? Is it okay to read notes? What if people walk out? This book won't magically transform you into a fast-talking corporate hotshot. But it will show you how to think about public speaking in a new way, and with a spot of luck, you will achieve adequacy. Or better! Drawing on ancient principles of rhetoric and his own entertaining successes and failures on the speech-giving circuit, John-Paul Flintoff provides simple but effective techniques to help you to speak with confidence to any crowd, whether it's a work presentation or a best friend's wedding. Humble but motivating, this is a guide to finding your voice, even if it's a bit croaky at first, and a reassuring affirmation that we all have something to say.

Public Speaking and the New Oratory[Fiona Rossette-Crake 2019-08-06](#) This book provides a research-led guide to public speaking in English, using the foundations of applied linguistics research to analyse elements of spoken presentation, including content, form, persona and audience interaction. The author also introduces and analyses case studies of what she calls 'the New Oratory', examining such modern speaking formats as the three-minute-thesis presentation, the investor pitch and TED talks, making this book a cutting-edge exploration of how public speaking is conducted in an increasingly digitalised world. It provides essential advice for non-native English speakers and speakers of English as a Second Language (ESL) whose work or study requires them to present in English, but will also be of interest to students and scholars of applied linguistics and business communication.

Communicating for Success Sheryl M. Hamilton 2016-07-22 This text focuses student-learning on the key communication competencies recommended by the National Communication Association. With applied examples and a vibrant and engaging design, this text covers all the expected topics in an introductory course (foundations of communication, interpersonal communication, small group communication, and public speaking - plus a special appendix on interviewing). Scenarios begin each chapter with a problem to which students can relate and then solve as they learn about the concepts discussed in each chapter. A concentrated focus on careers in communication, highlighted in a two-page spread near the end of each chapter, brings home the relevance of communication outside the classroom and helps students learn more about how studying communication can help them throughout their lives. Additional emphasis on topics such as ethics, culture, gender, and technology is found throughout the text.

Leven na leven Kate Atkinson 2013-08-15 Stel dat er niet alleen tweede kansen waren, maar derde kansen, vierde kansen, een oneindige hoeveelheid kansen om je leven te herhalen totdat je het eindelijk goed deed. Zou je dat wel willen? In een koude, besneeuwde nacht in 1910 komt bankiersdochertje Ursula Todd ter wereld in een lommerrijke buitenwijk van Londen dood. In diezelfde koude, besneeuwde nacht komt Ursula Todd ter wereld, schreeuwt lang en hard, en begint aan een leven dat, om het zachtjes uit te drukken, heel ongewoon zal blijken. Want terwijl ze groeit, gaat ze ook dood, herhaaldelijk, op verschillende manieren. Tegelijkertijd nadert de tweede grote oorlog van de eeuw. Kan Ursula, gezegend door een schijnbaar oneindige hoeveelheid levens, de wereld redden van de onvermijdelijke neergang? En als ze dat kan, zal ze het ook doen?

Grotendeels ongevaarlij~~k~~Douglas Adams 2011-10-07 Het Transgalactisch Liftershandboek (Engels: The Hitchhikers Guide to the Galaxy) is een komisch sciencefictionfranchise bedacht door Douglas Adams. Het begon als een radiohoorspel van twaalf afleveringen, voor het eerst uitgezonden in 1978 door BBC Radio, daarna door de BBC World Service. In 1981 werd er een zesdelige televisieserie gemaakt. Al snel volgden andere media, waaronder een computerspel, drie toneelbewerkingen, negen graphic novels, een speelfilm en heel veel merchandise. De boekenserie was echter het succesvolst: tussen 1979 en 1992 verschenen vijf delen van de reeks. In 2008 kreeg auteur Eoin Colfer toestemming van de weduwe van Douglas Adams om de reeks af te maken met een zesde deel dat dit jaar in het Nederlands verschijnt: En dan nog iets...

Mandy is an incredible person who has helped so many people break free from all this health and back and then helped and supported them in developing the confidence to achieve their goals. The reason this book is so good is that it tackles the number one issue that holds most people back and that's fear. Once people learn how to see through the illusion that fear can often be they can achieve their goals dreams and ambitions much easier. This is a book that is packed with tips tools, strategies and techniques to conquer fear and live your life to the full. I would highly recommend this book to anyone that wants to supercharge their life." Pete Cohen, Life coach, motivational speaker and best selling author "Mandie helped me realise my dreams and I am eternally grateful for her triggering that special spark; not only to ignite my passion but turn it into a successful and profitable business." Angela Chouaib, MD & Founder, [Www.SecretSurgery.co.uk](http://www.SecretSurgery.co.uk) "Mandie's book makes such impressive sense and even better, it is easy to read. It provides clarity in a world that is so fast paced now. Whilst Mandie remains 'bossy' by including exercises and homework, she allows us to gain far more through actions and working out what matters to us. Sometimes it takes a while to recognise that someone has a special ability to get us to believe in ourselves, to tie that belief to our highest ideals, and to imagine that together we can do great things. Those rare moments, when such a person comes along, we need to put aside our plans and reach for what we know is possible." Op weg naar huis Eleanor Brown 2011-10-09 Waarom kan Rose de man van haar dromen maar niet krijgen? Waarom heeft Bean haar flitsende leventje in New York de rug toegekeerd en waarom is Cordy na jaren gereisd te hebben ineens weer thuis neergestreken? Ongelukkig in werk, leven en liefde kerent de zussen Andreas tegelijkertijd terug naar hun ouderlijk huis, op het eerste gezicht

om voor hun zieke moeder te zorgen. Maar elke zus heeft een verborgen agenda, en ze zijn vooral ook thuisgekomen om hun wonderen te likken. Wat hebben de huiselijke en verlegen oudste zus, de wilde middelste en de bohemien jongste zus nou eigenlijk gemeen? Maar al vliegen ze elkaar meestal flink in de haren, ergens diep vanbinnen houden ze van elkaar. Het kleine, slaperige stadje Barnwell en de onverwachte band die tussen de drie zussen ontstaat zorgen uiteindelijk voor veel meer goeds dan waar ze ooit op hadden durven hopen.

De pers over David Nicholls 'Ik ben gek op die David Nicholls, hij schrijft zo licht en zo ontzettend geestig! Terwijl het over heel zware thema's gaat.' DWDD 'Wij staan midden tussen een komedie en een tragedie in, en Nicholls houdt de spanning over de ontknoping lang vast.' nrc.next 'De eerste dag is een heerlijk boek waarvan ik oprocht baalde toen ik het uit had!' Gerda Aukes, Boekhandel Den Boer Baarn 'Vanaf de eerste pagina wordt je het verhaal ingezogen.' Bruna 'Mooi, ontroerend. Over verloren idealen, mislukte liefdes, het ouderschap, de dood. Het leven.' Veronica Magazine 'Nicholls – bekend als scenarioschrijver van de tv-serie Cold Feet – schreef een scherpe, intieme en grappige roman.' Flow
